## GALERIE

The Galerie Manualis is an art gallery that has been founded in 2019 by Jurata Wajda, sculptor and art restorer, graduate of the Fine Arts of Toruń, Poland.

Exquisitely international, the Galerie Manualis promotes contemporary art and unusual artists from all over the world. Internationale par excellence, We invite you to visit us in Evian-les-Bains - where the gallery opens to all amateurs of art and artists - as well as to art exhibitions in Switzerland, France and other European countries.

The Artists working with the gallery are carefully chosen. Our ambition is to present high quality pieces with the best artistic et technic level but different aesthetically and in style. We present paintings, graphics and sculptures on a wide scale of styles - from abstraction, through expressionism, all the way to hyperrealism. The themes are just as wide: realistic, fantasy and even purely decorative. The only rule is quality and originality.

At the 21st Salon d'Art Contemporain in Zurich, Galerie Manualis will present the following artists:

- Mirosław Pawłowski - graphique
- Jurata Wajda - sculpture
- Ada Kaminska - peinture
- Janka - peinture
- Agnieszka Nienartowicz - peinture
