ANNOUNCEMENT

It is with great pleasure that we announce the new venue for the ART INTERNATIONAL ZURICH 2025 art fair. In its 27th iteration, the fair will take place in the impressive historic former foundry building, Puls 5, in Zurich from 23 to 25 May.

The change of date (previously in October) is a direct result of various logistical challenges and overlaps with other events, as well as an increase in demand for exhibition space at our fair. In the past, Halle Puls 5 has proven itself as a location for art fairs, which have always been very well received by the public.

We look forward to an enriching event for anyone looking to buy art or engage with the art world, in a dynamic venue where the presentation and trade of contemporary art goes hand in hand with the promotion of dialogue and networking.
